

Pioneer technology in
Turkey

EKSİSMİK PLUS
earthquake steel

EKİNCİLER
IRON AND STEEL IND. INC.

Ekinçiler is A Holding Company

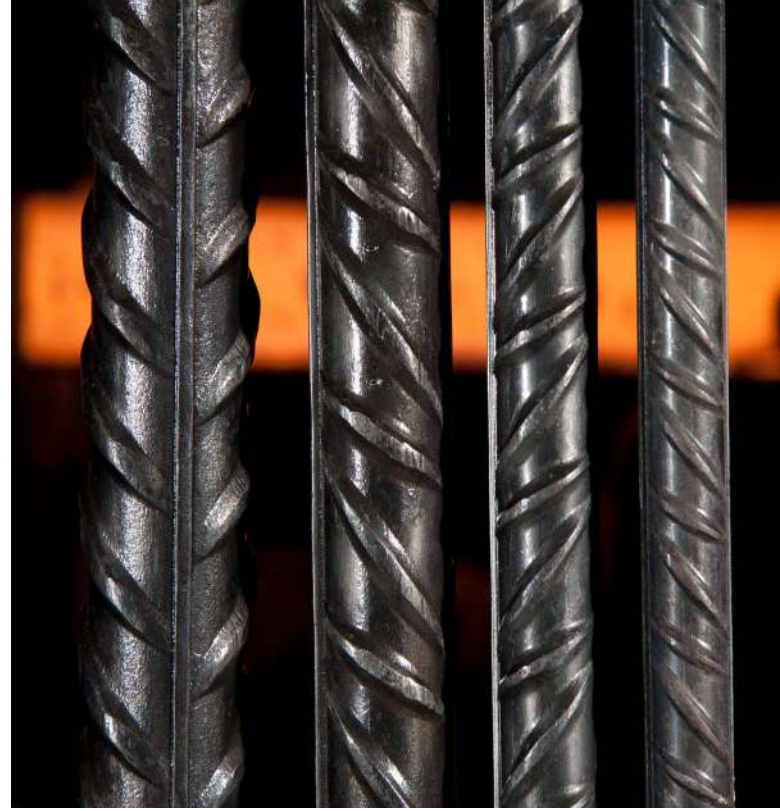

60.yıl

EKSİSMİK **PLUS** earthquake steel

Thanks to our special technology,
we guarantee a

minimum of %5

more rod count in our
EKSİSMİK Plus products that
you will use in your construction
compared to other products.

It is now possible
to build your structures at
lower costs by using
EKSİSMİK Plus

Guaranteed Number of Bars

IN A 2.5-TON BUNDLE

PROFIT

DIAMETER (mm)	STANDART BAR COUNT	GUARANTEED BAR COUNT EKSİSMİK PLUS earthquake steel	EXTRA BAR COUNT	WEIGHT (kg)
8	520	540	20	90
